| Article Name               | Recombinant Human Amnion Associated Transmembrane Protein, E. coli                                                                                 |
| Biozol Catalog Number      | MBS146013-0.05                                                                                                                                     |
| Supplier Catalog Number    | MBS146013-0.05                                                                                                                                     |
| Alternative Catalog Number | MBS146013-0.05                                                                                                                                     |
| Manufacturer               | MyBiosource                                                                                                                                        |
| Host                       | E. coli                                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                                   |
| Purity                     | Greater than 90.0% as determined by SDS-PAGE.                                                                                                      |
| Form                       | AMN protein solution (0.5mg/ml) containing 20mM Tris-HCl buffer (pH 8.0), 0.1M NaCl, 10% glycerol and 1mM DTT.Sterile Filtered colorless solution. |
