## Product Datasheet

### **HIV-1 pol p66, Recombinant (Reverse Transcriptase, Human Immunodeficiency Virus-1) MBS638320-0.002**

|                            |                                                                                    |
|----------------------------|------------------------------------------------------------------------------------|
| Article Name               | HIV-1 pol p66, Recombinant (Reverse Transcriptase, Human Immunodeficiency Virus-1) |
| Biozol Catalog Number      | MBS638320-0.002                                                                    |
| Supplier Catalog Number    | MBS638320-0.002                                                                    |
| Alternative Catalog Number | MBS638320-0.002                                                                    |
| Manufacturer               | MyBiosource                                                                        |
| Host                       | Virus                                                                              |
| Category                   | Proteine/Peptide                                                                   |
| Concentration              | 0.115mg/ml                                                                         |
| Purity                     | Highly Purified>90% by RP-HPLC and SDS-PAGE.<br>Chromatographically purified.      |
| Form                       | Supplied as a liquid in 30mM Tris, pH 7.0, 150mM sodium chloride, 0.2mM EDTA.      |
