| Host                       | Mouse                                                                                               |
| Category                   | Antikörper                                                                                          |
| Clonality                  | Monoclonal                                                                                          |
| Concentration              | 1 mg/mL                                                                                             |
| Clone Designation          | [5H4C5]                                                                                             |
| Isotype                    | IgG1                                                                                                |
| Purity                     | Anti-SARS-CoV-2 Spike P681R (Delta Variant) antibody is immunoaffinity chromatography purified IgG. |
| Form                       | Liquid                                                                                              |
