| Host                       | Mouse                                                                                                     |
| Category                   | Antikörper                                                                                                |
| Clonality                  | Monoclonal                                                                                                |
| Concentration              | 1 mg/mL                                                                                                   |
| Clone Designation          | [7E3C5]                                                                                                   |
| Isotype                    | IgG2                                                                                                      |
| Purity                     | Anti-SARS-CoV-2 Spike P681R (Delta Variant) antibody is Protein G purified.                               |
| Form                       | Liquid, SARS-CoV-2 Spike P681R (Delta Variant) antibody is supplied in PBS containing 0.02% sodium azide. |
