| Manufacturer               | MyBiosource                                                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                    |
| Clonality                  | Polyclonal                                                                                                                                                                    |
| Concentration              | 1.0 mg/ml                                                                                                                                                                     |
| Purity                     | Antibodies were produced by immunizing rabbits with synthetic peptide and KLH conjugates. Antibodies were purified by affinity-chromatography using epitope-specific peptide. |
| Form                       | Supplied at 1.0mg/mL in phosphate buffered saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                  |
