## Product Datasheet

### **SPC25, ID (SPC25, SPBC25, Kinetochore protein Spc25) (MaxLight 405), Rabbit, Polyclonal MBS6350425-5X0.1**

|                            |                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------|
| Article Name               | SPC25, ID (SPC25, SPBC25, Kinetochore protein Spc25) (MaxLight 405), Rabbit, Polyclonal |
| Biozol Catalog Number      | MBS6350425-5X0.1                                                                        |
| Supplier Catalog Number    | MBS6350425-5x0.1                                                                        |
| Alternative Catalog Number | MBS6350425-5X0.1                                                                        |
| Manufacturer               | MyBiosource                                                                             |
| Host                       | Rabbit                                                                                  |
| Category                   | Antikörper                                                                              |
| Clonality                  | Polyclonal                                                                              |
| Purity                     | Purified by Protein A and Peptide Affinity Chromatography.                              |
| Form                       | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight405.   |
