## Product Datasheet

### **Recombinant SARS-CoV-2 (2019-nCoV) S1 protein NTD with C-terminal human Fc tag, Human MBS188167-5X0.1**

|                            |                                                                                                                 |
|----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant SARS-CoV-2 (2019-nCoV) S1 protein NTD with C-terminal human Fc tag, Human                           |
| Biozol Catalog Number      | MBS188167-5X0.1                                                                                                 |
| Supplier Catalog Number    | MBS188167-5x0.1                                                                                                 |
| Alternative Catalog Number | MBS188167-5X0.1                                                                                                 |
| Manufacturer               | MyBiosource                                                                                                     |
| Host                       | Human                                                                                                           |
| Category                   | Proteine/Peptide                                                                                                |
| Purity                     | The purity of the protein is greater than 95% as determined by SDS-PAGE and Coomassie blue staining.            |
| Form                       | Lyophilized from sterile PBS, pH 7.4. Normally 5%-107% trehalose is added as protectants before lyophilization. |
