| Manufacturer               | MyBiosource                                                                                                                                                                                                                         |
| Host                       | Mouse                                                                                                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                                                                                                          |
| Clonality                  | Monoclonal                                                                                                                                                                                                                          |
| Clone Designation          | [2F4]                                                                                                                                                                                                                               |
| Purity                     | Purified by Protein A Affinity Chromatography.                                                                                                                                                                                      |
| Form                       | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Fluorescein isothiocyanate (FITC).                                                                                                                         |
