## Product Datasheet

### Calretinin (CALB2) Antibody, Unconjugated, Rabbit, Polyclonal ABX377950

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| Article Name               | Calretinin (CALB2) Antibody, Unconjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | ABX377950                                                     |
| Supplier Catalog Number    | abx377950                                                     |
| Alternative Catalog Number | ABX377950-50UG, ABX377950-100UG                               |
| Manufacturer               | Abbexa                                                        |
| Host                       | Rabbit                                                        |
| Category                   | Antikörper                                                    |
| Application                | ELISA, IHC, WB                                                |
| Species Reactivity         | Human                                                         |
| Immunogen                  | Recombinant Calretinin (Met1-Met271) expressed in E. coli.    |
| Conjugation                | Unconjugated                                                  |
| Clonality                  | Polyclonal                                                    |
| NCBI                       | <a href="#">794</a>                                           |
| UniProt                    | <a href="#">P22676</a>                                        |
| Buffer                     | 0.01 M PBS, pH 7.4, 50% glycerol, 0.05% Proclin-300.          |
| Form                       | Liquid                                                        |
| Target                     | Calretinin (CALB2)                                            |
| Antibody Type              | Primary Antibody                                              |
