| Article Name               | Mouse Caspase 9 (CASP9) Protein, Unconjugated, E. coli                                                                                  |
| Biozol Catalog Number      | ABX065780                                                                                                                               |
| Supplier Catalog Number    | abx065780                                                                                                                               |
| Alternative Catalog Number | ABX065780-100UG,ABX065780-10UG,ABX065780-200UG,ABX065780-500UG,ABX065780-50UG                                                           |
| Manufacturer               | Abbexa                                                                                                                                  |
| Host                       | E. coli                                                                                                                                 |
| Category                   | Proteine/Peptide                                                                                                                        |
| Application                | SDS-PAGE, WB                                                                                                                            |
| Conjugation                | Unconjugated                                                                                                                            |
| Concentration              | Prior to lyophilization: 200 µg/ml                                                                                                      |
| Molecular Weight           | Calculated MW: 23.1 kDa Observed MW (SDS-PAGE): 29 kDa                                                                                  |
| UniProt                    | <a href="#">Q4FJK5</a>                                                                                                                  |
| Buffer                     | Prior to lyophilization: 20 mM Tris, 150 mM NaCl, pH 8.0, containing 1 mM EDTA, 1 mM DTT, 0.01% Sarcosyl, 5% Trehalose and Proclin-300. |
| Expression System          | Recombinant                                                                                                                             |
| Purity                     | > 97%                                                                                                                                   |
| Form                       | Lyophilized                                                                                                                             |

|        |                   |
