| Article Name               | Human Mitogen-Activated Protein Kinase 14 (MAPK14) Protein, Unconjugated, E. coli                        |
| Biozol Catalog Number      | ABX068026                                                                                                |
| Supplier Catalog Number    | abx068026                                                                                                |
| Alternative Catalog Number | ABX068026-10UG,ABX068026-50UG,ABX068026-100UG,ABX068026-200UG,ABX068026-500UG                            |
| Manufacturer               | Abbexa                                                                                                   |
| Host                       | E. coli                                                                                                  |
| Category                   | Proteine/Peptide                                                                                         |
| Application                | SDS-PAGE, WB                                                                                             |
| Conjugation                | Unconjugated                                                                                             |
| Concentration              | Prior to lyophilization: 200 µg/ml                                                                       |
| Molecular Weight           | Calculated MW: 33.2 kDa Observed MW (SDS-PAGE): 32 kDa                                                   |
| UniProt                    | <a href="#">Q16539</a>                                                                                   |
| Buffer                     | Prior to lyophilization: PBS, pH 7.4, containing 0.01% Sarcosyl, 1 mM DTT, 5% Trehalose and Proclin-300. |
| Expression System          | Recombinant                                                                                              |
| Purity                     | > 95%                                                                                                    |
| Form                       | Lyophilized                                                                                              |

|        |                                              |
