| Article Name               | Mouse Serum Amyloid A-1 Protein (SAA1) Protein, Unconjugated, E. coli         |
| Biozol Catalog Number      | ABX069045                                                                     |
| Supplier Catalog Number    | abx069045                                                                     |
| Alternative Catalog Number | ABX069045-10UG,ABX069045-50UG,ABX069045-100UG,ABX069045-200UG,ABX069045-500UG |
| Manufacturer               | Abbexa                                                                        |
| Host                       | E. coli                                                                       |
| Category                   | Proteine/Peptide                                                              |
| Application                | SDS-PAGE, WB                                                                  |
| Conjugation                | Unconjugated                                                                  |
| Concentration              | Prior to lyophilization: 200 µg/ml                                            |
| Molecular Weight           | Calculated MW: 13.1 kDa Observed MW (SDS-PAGE): 13 kDa                        |
| NCBI                       | <a href="#">20208</a>                                                         |
| UniProt                    | <a href="#">P05366</a>                                                        |
| Buffer                     | Prior to lyophilization: PBS, pH 7.4, containing 0.01% Sarcosyl.              |
| Expression System          | Recombinant                                                                   |
| Purity                     | > 97%                                                                         |
| Form                       | Lyophilized                                                                   |

|        |                                  |
|--------|----------------------------------|
| Target | Serum Amyloid A-1 Protein (SAA1) |
