| Category                   | Antikörper                                                                                                                                                             |
| Application                | WB                                                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                      |
| Conjugation                | Cy3                                                                                                                                                                    |
| Product Description        | Cleaves linear and branched multiubiquitin polymers with a marked preference for branched polymers. Involved in unanchored Lys-48-linked polyubiquitin disassembly.... |
| Clonality                  | Recombinant                                                                                                                                                            |
| Concentration              | Lot dependent                                                                                                                                                          |
| NCBI                       | <a href="#">8078</a>                                                                                                                                                   |
| UniProt                    | <a href="#">P45974</a>                                                                                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                |

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human USP5 |
| Purity             | Purified by Protein A.                                   |
