| Conjugation                | BF750                                                                                                                                                                                                                                           |
| Product Description        | This gene encodes a member of the cytochrome P450 superfamily of enzymes. The cytochrome P450 proteins are monooxygenases which catalyze many reactions involved in drug metabolism and synthesis of cholesterol, steroids and other lipids.... |
| Clonality                  | Recombinant                                                                                                                                                                                                                                     |
| Concentration              | Lot dependent                                                                                                                                                                                                                                   |
| NCBI                       | <a href="#">6916</a>                                                                                                                                                                                                                            |
| UniProt                    | <a href="#">P24557</a>                                                                                                                                                                                                                          |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human TBXAS1                                             |
| Purity             | Purified by Protein A.                                                                                 |
| Target             | Thromboxane synthase                                                                                   |
| Application Dilute | WB(WB=1:1000-1:2000)                                                                                   |
