## Product Datasheet

### **Ebola virus, IgG1, Unconjugated, Mouse, Monoclonal BSS-BSM-72115M**

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| Article Name               | Ebola virus, IgG1, Unconjugated, Mouse, Monoclonal |
| Biozol Catalog Number      | BSS-BSM-72115M                                     |
| Supplier Catalog Number    | bsm-72115M                                         |
| Alternative Catalog Number | BSS-BSM-72115M-100                                 |
| Manufacturer               | Bioss                                              |
| Host                       | Mouse                                              |
| Category                   | Antikörper                                         |
| Application                | ELISA, WB                                          |
| Conjugation                | Unconjugated                                       |
| Clonality                  | Monoclonal                                         |
| Concentration              | 100µg/ml                                           |
| Isotype                    | IgG1                                               |
| Buffer                     | PBS (pH 7.2) with 0.1% azide                       |
| Purity                     | purified by Protein A.                             |
| Target                     | Ebola virus                                        |
| Application Dilute         | WB(1:300-5000), ELISA(1:500-1000)                  |
