| Alternative Catalog Number | BSS-BS-4290R-BF594-100                                                                                                                                            |
| Manufacturer               | Bioss                                                                                                                                                             |
| Host                       | Rabbit                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                        |
| Application                | IF                                                                                                                                                                |
| Species Reactivity         | Human, Mouse                                                                                                                                                      |
| Conjugation                | BF594                                                                                                                                                             |
| Product Description        | Co-chaperone that binds to numerous kinases and promotes their interaction with the Hsp90 complex, resulting in stabilization and promotion of their activity.... |
| Clonality                  | Polyclonal                                                                                                                                                        |
| Concentration              | 1ug/ul                                                                                                                                                            |
| NCBI                       | <a href="#">11140</a>                                                                                                                                             |
| UniProt                    | <a href="#">Q16543</a>                                                                                                                                            |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                            |

|                    |                                                             |
|--------------------|-------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human CDC37   |
| Purity             | Purified by Protein A.                                      |
| Target             | CDC37                                                       |
| Application Dilute | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
