| Alternative Catalog Number | NBS-ABB-XQRXQF-100                                                                                                                                                                                          |
| Manufacturer               | Nordic BioSite                                                                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                                                                  |
| Application                | WB                                                                                                                                                                                                          |
| Species Reactivity         | Mouse                                                                                                                                                                                                       |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of mouse Claudin 7/CLDN-7, which shares 87% and 100% amino acid (aa) sequence identity with human and rat Claudin 7/CLDN-7, respectively. |
| Conjugation                | DyLight 550                                                                                                                                                                                                 |
| Product Description        | Anti-Claudin 7/CLDN-7 Antibody . Tested in WB applications. This antibody reacts with Mouse....                                                                                                             |
| Clonality                  | Polyclonal                                                                                                                                                                                                  |
| Concentration              | 500 ug/ml                                                                                                                                                                                                   |
| Molecular Weight           | 127459 MW                                                                                                                                                                                                   |
| NCBI                       | <a href="#">53624</a>                                                                                                                                                                                       |
