| Manufacturer               | Nordic BioSite                                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                    |
| Application                | FC                                                                                                                                                                            |
| Species Reactivity         | Mouse, Rat                                                                                                                                                                    |
| Immunogen                  | E.coli-derived mouse HMOX1 recombinant protein (Position: E2-T261). Mouse HMOX1 shares 82% and 93% amino acid (aa) sequences identity with human and rat HMOX1, respectively. |
| Conjugation                | PE                                                                                                                                                                            |
| Product Description        | Anti-Heme Oxygenase 1/HMOX1 Antibody . Tested in IHC, WB applications. This antibody reacts with Human....                                                                    |
| Clonality                  | Polyclonal                                                                                                                                                                    |
| Concentration              | 500 ug/ml                                                                                                                                                                     |
| Molecular Weight           | 32929 MW                                                                                                                                                                      |
| Sensitivity                | <5pg/ml                                                                                                                                                                       |
