| Manufacturer               | Nordic BioSite                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                            |
| Application                | SDS-PAGE                                                                                                                    |
| Product Description        | Human MEK2 Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 1-400aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25 mg/ml                                                                                                                  |
| Molecular Weight           | 46.9 kDa (424aa) confirmed by MALDI-TOF                                                                                     |
| Tag                        | HIS Tag                                                                                                                     |
| NCBI                       | <a href="#">5605</a>                                                                                                        |
| UniProt                    | <a href="#">P36507</a>                                                                                                      |
| Purity                     | >90%                                                                                                                        |
| Target                     | MAP2K2                                                                                                                      |
