| Category                   | Proteine/Peptide                                                                                                             |
| Application                | SDS-PAGE                                                                                                                     |
| Product Description        | Human HAT1 Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 20-341aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5 mg/ml                                                                                                                    |
| Molecular Weight           | 40 kDa (343aa) confirmed by MALDI-TOF                                                                                        |
| Tag                        | HIS Tag                                                                                                                      |
| NCBI                       | <a href="#">8520</a>                                                                                                         |
| UniProt                    | <a href="#">O14929</a>                                                                                                       |
