| Category                   | Proteine/Peptide                                                                                                                                                                               |
| Application                | SDS-PAGE                                                                                                                                                                                       |
| Product Description        | Mouse Klk8 Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 29-260aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                      |
| Molecular Weight           | 26.5 kDa (240aa)                                                                                                                                                                               |
| Tag                        | HIS Tag                                                                                                                                                                                        |
