| Category                   | Proteine/Peptide                                                                                                                                                                                |
| Application                | SDS-PAGE                                                                                                                                                                                        |
| Product Description        | Human CRTAM Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 18-287aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 1 mg/ml                                                                                                                                                                                         |
| Molecular Weight           | 31kDa (278aa)                                                                                                                                                                                   |
| Tag                        | HIS Tag                                                                                                                                                                                         |
