| Manufacturer               | Nordic BioSite                                                                                                                          |
| Category                   | Proteine/Peptide                                                                                                                        |
| Application                | SDS-PAGE                                                                                                                                |
| Product Description        | Human DEFB116 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 24-102aa. Application(s): SDS-PAGE, Denatured.... |
| Concentration              | 0.5 mg/ml                                                                                                                               |
| Molecular Weight           | 11.5 kDa (102aa)                                                                                                                        |
| Tag                        | HIS Tag                                                                                                                                 |
| NCBI                       | <a href="#">245930</a>                                                                                                                  |
| UniProt                    | <a href="#">Q30KQ4</a>                                                                                                                  |
| Purity                     | >80%                                                                                                                                    |
| Target                     | DEFB116                                                                                                                                 |
