| Category                   | Proteine/Peptide                                                                                                                                                                                          |
| Application                | SDS-PAGE                                                                                                                                                                                                  |
| Product Description        | Mouse NKp46/NCR1 Recombinant Protein expressed in Baculovirus with hIgG-His-tag. Sequence domain: 17-255aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.25 mg/ml                                                                                                                                                                                                |
| Molecular Weight           | 54.4 kDa (481aa)                                                                                                                                                                                          |
| Tag                        | hIgG Fc-HIS Tag                                                                                                                                                                                           |
