| Category                   | Proteine/Peptide                                                                                                                      |
| Application                | SDS-PAGE                                                                                                                              |
| Product Description        | Human Stathmin-3/STMN3 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 39-180aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5 mg/ml                                                                                                                             |
| Molecular Weight           | 18.9 kDa (163aa) confirmed by MALDI-TOF                                                                                               |
| Tag                        | HIS Tag                                                                                                                               |
| NCBI                       | <a href="#">50861</a>                                                                                                                 |
| UniProt                    | <a href="#">Q9NZ72</a>                                                                                                                |
| Purity                     | >85%                                                                                                                                  |
| Target                     | STMN3                                                                                                                                 |
