| Category                   | Proteine/Peptide                                                                                                               |
| Application                | SDS-PAGE                                                                                                                       |
| Product Description        | Human TAF15 Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 148-406aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25 mg/ml                                                                                                                     |
| Molecular Weight           | 30kDa (282aa) confirmed by MALDI-TOF                                                                                           |
| Tag                        | HIS Tag                                                                                                                        |
| NCBI                       | <a href="#">8148</a>                                                                                                           |
| UniProt                    | <a href="#">Q92804</a>                                                                                                         |
