| Manufacturer               | Nordic BioSite                                                                                                                                                                                |
| Category                   | Proteine/Peptide                                                                                                                                                                              |
| Application                | SDS-PAGE                                                                                                                                                                                      |
| Product Description        | Human CD4 Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 26-396aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.25 mg/ml                                                                                                                                                                                    |
| Molecular Weight           | 42.1 kDa (377aa)                                                                                                                                                                              |
| Tag                        | HIS Tag                                                                                                                                                                                       |
