| Alternative Catalog Number | NBS-RBB-IA5BI1-100                                                                                                                                                                                               |
| Manufacturer               | Nordic BioSite                                                                                                                                                                                                   |
| Category                   | Proteine/Peptide                                                                                                                                                                                                 |
| Application                | SDS-PAGE                                                                                                                                                                                                         |
| Product Description        | Human TNF-alpha Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 77-233aa. Application(s): SDS-PAGE, Bioactivity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 1 mg/ml                                                                                                                                                                                                          |
| Molecular Weight           | 18.1 kDa (163aa)                                                                                                                                                                                                 |
| Tag                        | HIS Tag                                                                                                                                                                                                          |
