| Manufacturer               | Nordic BioSite                                                                                                                |
| Category                   | Proteine/Peptide                                                                                                              |
| Application                | SDS-PAGE                                                                                                                      |
| Product Description        | E. coli mutY Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 1-350aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25 mg/ml                                                                                                                    |
| Molecular Weight           | 41.5 kDa (373aa) confirmed by MALDI-TOF                                                                                       |
| Tag                        | HIS Tag                                                                                                                       |
| NCBI                       | <a href="#">947447</a>                                                                                                        |
| UniProt                    | <a href="#">P17802</a>                                                                                                        |
| Purity                     | >90%                                                                                                                          |
| Target                     | mutY                                                                                                                          |
