| Manufacturer               | Nordic BioSite                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                            |
| Application                | SDS-PAGE                                                                                                                    |
| Product Description        | Human MMADHC Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 39-296aa. Application(s): SDS-PAGE.... |
| Concentration              | 1 mg/ml                                                                                                                     |
| Molecular Weight           | 31 kDa (281aa) confirmed by MALDI-TOF                                                                                       |
| Tag                        | HIS Tag                                                                                                                     |
| NCBI                       | <a href="#">27249</a>                                                                                                       |
| UniProt                    | <a href="#">Q9H3L0</a>                                                                                                      |
| Purity                     | >90%                                                                                                                        |
| Target                     | MMADHC                                                                                                                      |
