| Manufacturer               | Nordic BioSite                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                          |
| Application                | SDS-PAGE                                                                                                                  |
| Product Description        | Human MuCL1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 21-90aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25 mg/ml                                                                                                                |
| Molecular Weight           | 9.3 kDa (93aa) confirmed by MALDI-TOF (Molecular weight on SDS-PAGE will appear higher)                                   |
| Tag                        | HIS Tag                                                                                                                   |
| NCBI                       | <a href="#">118430</a>                                                                                                    |
| UniProt                    | <a href="#">Q96DR8</a>                                                                                                    |
| Purity                     | >85%                                                                                                                      |
| Target                     | MUCL1                                                                                                                     |
