| Category                   | Proteine/Peptide                                                                                                             |
| Application                | SDS-PAGE                                                                                                                     |
| Product Description        | Mouse Hba-x Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 1-142aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25 mg/ml                                                                                                                   |
| Molecular Weight           | 18.3 kDa (162aa) confirmed by MALDI-TOF                                                                                      |
| Tag                        | HIS Tag                                                                                                                      |
| NCBI                       | <a href="#">15126</a>                                                                                                        |
| UniProt                    | <a href="#">P06467</a>                                                                                                       |
