| Application                | SDS-PAGE                                                                                                                                                                                                   |
| Product Description        | Human L-Selectin/CD62L Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 52-345aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.25 mg/ml                                                                                                                                                                                                 |
| Molecular Weight           | 34.1 kDa (303aa)                                                                                                                                                                                           |
| Tag                        | HIS Tag                                                                                                                                                                                                    |
