| Alternative Catalog Number | NBS-RBB-Q9K6H0-500                                                                                                                          |
| Manufacturer               | Nordic BioSite                                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                                            |
| Application                | SDS-PAGE                                                                                                                                    |
| Product Description        | Human FuCA2 Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 29-467aa. Application(s): SDS-PAGE,<br>Denatured.... |
| Concentration              | 1 mg/ml                                                                                                                                     |
| Molecular Weight           | 53.3 kDa (462aa)                                                                                                                            |
| Tag                        | HIS Tag                                                                                                                                     |
| NCBI                       | <a href="#">2519</a>                                                                                                                        |
