| Category                   | Proteine/Peptide                                                                                                           |
| Application                | SDS-PAGE                                                                                                                   |
| Product Description        | Human WWC1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 655-783aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25 mg/ml                                                                                                                 |
| Molecular Weight           | 17 kDa (152aa) confirmed by MALDI-TOF                                                                                      |
| Tag                        | HIS Tag                                                                                                                    |
| NCBI                       | <a href="#">23286</a>                                                                                                      |
| UniProt                    | <a href="#">Q8IX03</a>                                                                                                     |
| Purity                     | >90%                                                                                                                       |
