| Category                   | Proteine/Peptide                                                                                                           |
| Application                | SDS-PAGE                                                                                                                   |
| Product Description        | Human POLR2E Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-210aa. Application(s): SDS-PAGE.... |
| Concentration              | 1 mg/ml                                                                                                                    |
| Molecular Weight           | 27 kDa (233aa) confirmed by MALDI-TOF                                                                                      |
| Tag                        | HIS Tag                                                                                                                    |
| NCBI                       | <a href="#">5434</a>                                                                                                       |
| UniProt                    | <a href="#">P19388</a>                                                                                                     |
| Purity                     | >90%                                                                                                                       |
| Target                     | POLR2E                                                                                                                     |
