| Alternative Catalog Number | NBS-ABB-1053GR-100                                                                                                          |
| Manufacturer               | Nordic BioSite                                                                                                              |
| Host                       | Rabbit                                                                                                                      |
| Category                   | Antikörper                                                                                                                  |
| Application                | ELISA, FC, IHC, WB                                                                                                          |
| Species Reactivity         | Human                                                                                                                       |
| Immunogen                  | E.coli-derived human Nectin 3/NECTIN3 recombinant protein (Position: E92-N296).                                             |
| Conjugation                | Unconjugated                                                                                                                |
| Product Description        | Anti-Nectin 3/NECTIN3 Antibody . Tested in ELISA, Flow Cytometry, IHC, WB applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                                  |
| Concentration              | 500 ug/ml                                                                                                                   |
| Molecular Weight           | 80 kDa                                                                                                                      |
| NCBI                       | <a href="#">25945</a>                                                                                                       |
| UniProt                    | <a href="#">Q9NQS3</a>                                                                                                      |

|               |                                                                           |
|---------------|---------------------------------------------------------------------------|
| Buffer        | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na2HPO4, 0.05mg NaN3. |
| Form          | Lyophilized                                                               |
| Target        | Nectin 3/NECTIN3                                                          |
| Antibody Type | Primary Antibody                                                          |
