| Manufacturer               | Nordic BioSite                                                                                                                                   |
| Host                       | Mouse                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                       |
| Application                | FC, ICC, IF, IHC, WB                                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                |
| Immunogen                  | E.coli-derived human HGS recombinant protein (Position: R3-D777).                                                                                |
| Conjugation                | iFluor647                                                                                                                                        |
| Product Description        | Anti-HGS Antibody (monoclonal, 4B7E2) . Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                       |
| Concentration              | 500 ug/ml                                                                                                                                        |
| Clone Designation          | [4B7E2]                                                                                                                                          |
| Isotype                    | IgG2a                                                                                                                                            |
| NCBI                       | <a href="#">9146</a>                                                                                                                             |
