| Manufacturer               | Nordic BioSite                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                           |
| Application                | FC, ICC, IF, IHC, IP, WB                                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                    |
| Immunogen                  | A synthesized peptide derived from human METTL3                                                                                                      |
| Conjugation                | Unconjugated                                                                                                                                         |
| Product Description        | Anti-METTL3 Rabbit Monoclonal Antibody . Tested in WB, IHC, ICC/IF, IP, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                           |
| Clone Designation          | [21M06]                                                                                                                                              |
| Molecular Weight           | 72692 MW                                                                                                                                             |
| Sensitivity                | <10pg/ml                                                                                                                                             |
| NCBI                       | <a href="#">56339</a>                                                                                                                                |

|               |                        |
