| Biozol Catalog Number      | NBS-ABB-3GG6F5-100                                                                                        |
| Supplier Catalog Number    | ABB-3GG6F5-100                                                                                            |
| Alternative Catalog Number | NBS-ABB-3GG6F5-100                                                                                        |
| Manufacturer               | Nordic BioSite                                                                                            |
| Host                       | Rabbit                                                                                                    |
| Category                   | Antikörper                                                                                                |
| Application                | FC                                                                                                        |
| Species Reactivity         | Human                                                                                                     |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human IL-13.                         |
| Conjugation                | APC                                                                                                       |
| Product Description        | Anti-Interleukin-13 IL13 Antibody . Tested in ELISA, WB applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                |
| Concentration              | 500 ug/ml                                                                                                 |
| Molecular Weight           | 15816 MW                                                                                                  |
| Sensitivity                | <10pg/ml                                                                                                  |
| NCBI                       | <a href="#">3596</a>                                                                                      |

|               |                        |
