| Alternative Catalog Number | NBS-ABB-3VIL5H-100                                                                                               |
| Manufacturer               | Nordic BioSite                                                                                                   |
| Host                       | Rabbit                                                                                                           |
| Category                   | Antikörper                                                                                                       |
| Application                | FC                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                |
| Immunogen                  | E.coli-derived human ATG4B recombinant protein (Position: E17-D328).                                             |
| Conjugation                | PE                                                                                                               |
| Product Description        | Anti-ATG4B Antibody . Tested in ELISA, Flow Cytometry, WB applications. This antibody reacts with Human, Rat.... |
| Clonality                  | Polyclonal                                                                                                       |
| Concentration              | 500 ug/ml                                                                                                        |
| NCBI                       | <a href="#">23192</a>                                                                                            |
| UniProt                    | <a href="#">Q9Y4P1</a>                                                                                           |
| Target                     | ATG4B                                                                                                            |
