| Alternative Catalog Number | NBS-ABB-3X4YKA-100                                                                                                                                        |
| Manufacturer               | Nordic BioSite                                                                                                                                            |
| Host                       | Rabbit                                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                                |
| Application                | ELISA, WB                                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                                     |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human IGFBP5, different from the related mouse and rat sequences by two amino acids. |
| Conjugation                | DyLight 488                                                                                                                                               |
| Product Description        | Anti-IGFBP5 Antibody . Tested in ELISA, WB applications. This antibody reacts with Human....                                                              |
| Clonality                  | Polyclonal                                                                                                                                                |
| Concentration              | 500 ug/ml                                                                                                                                                 |
| Molecular Weight           | 30570 MW                                                                                                                                                  |
| Sensitivity                | >5000 cells                                                                                                                                               |
