| Supplier Catalog Number    | ABB-3XAHJH-100                                                                                                                                                |
| Alternative Catalog Number | NBS-ABB-3XAHJH-100                                                                                                                                            |
| Manufacturer               | Nordic BioSite                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                    |
| Application                | FC, ICC, IF, IHC, WB                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                                         |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Annexin VII, different from the related mouse and rat sequences by one amino acid. |
| Conjugation                | DyLight 488                                                                                                                                                   |
| Product Description        | Anti-Annexin VII/ANXA7 Antibody . Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human....                                |
| Clonality                  | Polyclonal                                                                                                                                                    |
| Concentration              | 500 ug/ml                                                                                                                                                     |
| Molecular Weight           | 52739 MW                                                                                                                                                      |
| Sensitivity                | >5000 cells                                                                                                                                                   |

|               |                        |
