| Alternative Catalog Number | NBS-ABB-429VPZ-100                                                                                                                                                                                   |
| Manufacturer               | Nordic BioSite                                                                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                                                                           |
| Application                | ELISA, IHC, WB                                                                                                                                                                                       |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                    |
| Immunogen                  | E.coli-derived human MIRO2/RHOT2 recombinant protein (Position: D321-V615). Human MIRO2/RHOT2 shares 78.5% and 76.3% amino acid (aa) sequence identity with mouse and rat MIRO2/RHOT2, respectively. |
| Conjugation                | Biotin                                                                                                                                                                                               |
| Product Description        | Anti-MIRO2/RHOT2 Antibody Biotin Conjugated...                                                                                                                                                       |
| Clonality                  | Polyclonal                                                                                                                                                                                           |
| Concentration              | 500 ug/ml                                                                                                                                                                                            |
| Molecular Weight           | 68 kda                                                                                                                                                                                               |
| NCBI                       | <a href="#">89941</a>                                                                                                                                                                                |
