| Manufacturer               | Nordic BioSite                                                                                                           |
| Host                       | Rabbit                                                                                                                   |
| Category                   | Antikörper                                                                                                               |
| Application                | ICC, IF, WB                                                                                                              |
| Species Reactivity         | Human, Mouse                                                                                                             |
| Immunogen                  | Recombinant fusion protein of human PNKD(NP_056303.3).                                                                   |
| Product Description        | Anti-Probable hydrolase PNKD PNKD Antibody . Tested in WB,ICC/IF applications. This antibody reacts with Human,Mouse.... |
| Clonality                  | Polyclonal                                                                                                               |
| Molecular Weight           | 42876 MW                                                                                                                 |
| NCBI                       | <a href="#">25953</a>                                                                                                    |
| UniProt                    | <a href="#">Q8N490</a>                                                                                                   |
| Target                     | PNKD                                                                                                                     |
| Antibody Type              | Primary Antibody                                                                                                         |
