| Article Name               | METT5D1/METTTL15, Rabbit, Polyclonal                                                                                                                              |
| Biozol Catalog Number      | NBS-ABB-715WSH-10                                                                                                                                                 |
| Supplier Catalog Number    | ABB-715WSH-10                                                                                                                                                     |
| Alternative Catalog Number | NBS-ABB-715WSH-10                                                                                                                                                 |
| Manufacturer               | Nordic BioSite                                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                        |
| Application                | ELISA, WB                                                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                 |
| Immunogen                  | E.coli-derived human METT5D1/METTTL15 recombinant protein (Position: R200-L407). Human METTTL15 shares 87% amino acid (aa) sequence identity with mouse METTTL15. |
| Product Description        | Anti-METT5D1/METTTL15 Antibody...                                                                                                                                 |
| Clonality                  | Polyclonal                                                                                                                                                        |
| Concentration              | 500 ug/ml                                                                                                                                                         |
| Molecular Weight           | 46 kDa                                                                                                                                                            |
| NCBI                       | <a href="#">196074</a>                                                                                                                                            |
| UniProt                    | <a href="#">P0C7V9</a>                                                                                                                                            |
| Target                     | METT5D1/METTTL15                                                                                                                                                  |
