| Article Name               | DNA Ligase III/LIG3, Biotin, Rabbit, Polyclonal                                                                                       |
| Biozol Catalog Number      | NBS-ABB-8XJWGP-100                                                                                                                    |
| Supplier Catalog Number    | ABB-8XJWGP-100                                                                                                                        |
| Alternative Catalog Number | NBS-ABB-8XJWGP-100                                                                                                                    |
| Manufacturer               | Nordic BioSite                                                                                                                        |
| Host                       | Rabbit                                                                                                                                |
| Category                   | Antikörper                                                                                                                            |
| Application                | ELISA, FC, WB                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                     |
| Immunogen                  | E.coli-derived human DNA Ligase III/LIG3 recombinant protein (Position: D297-D963).                                                   |
| Conjugation                | Biotin                                                                                                                                |
| Product Description        | Anti-DNA Ligase III/LIG3 Antibody . Tested in ELISA, Flow Cytometry, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                            |
| Concentration              | 500 ug/ml                                                                                                                             |
| Molecular Weight           | 12252 MW                                                                                                                              |
| NCBI                       | <a href="#">3980</a>                                                                                                                  |
| UniProt                    | <a href="#">P49916</a>                                                                                                                |

|               |                  |
