| Alternative Catalog Number | NBS-ABB-8XWCQ9-100                                                                                   |
| Manufacturer               | Nordic BioSite                                                                                       |
| Host                       | Rabbit                                                                                               |
| Category                   | Antikörper                                                                                           |
| Application                | WB                                                                                                   |
| Species Reactivity         | Human, Monkey                                                                                        |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human ARSE/ASE/ARSL.            |
| Conjugation                | APC                                                                                                  |
| Product Description        | Anti-ARSE/ASE/ARSL Antibody . Tested in WB applications. This antibody reacts with Human, Monkey.... |
| Clonality                  | Polyclonal                                                                                           |
| Concentration              | 500 ug/ml                                                                                            |
| Molecular Weight           | 41409 MW                                                                                             |
| NCBI                       | <a href="#">415</a>                                                                                  |
| UniProt                    | <a href="#">P51690</a>                                                                               |

|               |                  |
