| Article Name               | B-cell receptor CD22 CD22, PE, Rabbit, Polyclonal                                                             |
| Biozol Catalog Number      | NBS-ABB-99WOSY-100                                                                                            |
| Supplier Catalog Number    | ABB-99WOSY-100                                                                                                |
| Alternative Catalog Number | NBS-ABB-99WOSY-100                                                                                            |
| Manufacturer               | Nordic BioSite                                                                                                |
| Host                       | Rabbit                                                                                                        |
| Category                   | Antikörper                                                                                                    |
| Application                | IHC, WB                                                                                                       |
| Species Reactivity         | Human                                                                                                         |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human CD22.                              |
| Conjugation                | PE                                                                                                            |
| Product Description        | Anti-B-cell receptor CD22 CD22 Antibody . Tested in IHC, WB applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                    |
| Concentration              | 500 ug/ml                                                                                                     |
| Molecular Weight           | 95348 MW                                                                                                      |
| Sensitivity                | <10pg/ml                                                                                                      |
| NCBI                       | <a href="#">933</a>                                                                                           |

|               |                        |
