## Product Datasheet

### TAK1/MAP3K7, Unconjugated, Rabbit, Polyclonal NBS-ABB-9BV70P-100

|                            |                                                                                                                                    |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | TAK1/MAP3K7, Unconjugated, Rabbit, Polyclonal                                                                                      |
| Biozol Catalog Number      | NBS-ABB-9BV70P-100                                                                                                                 |
| Supplier Catalog Number    | ABB-9BV70P-100                                                                                                                     |
| Alternative Catalog Number | NBS-ABB-9BV70P-100                                                                                                                 |
| Manufacturer               | Nordic BioSite                                                                                                                     |
| Host                       | Rabbit                                                                                                                             |
| Category                   | Antikörper                                                                                                                         |
| Application                | FC, ICC, IF, WB                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                  |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human TAK1, identical to the related mouse and rat sequences. |
| Conjugation                | Unconjugated                                                                                                                       |
| Product Description        | Anti-TAK1/MAP3K7 Antibody . Tested in Flow Cytometry, IF, ICC, WB applications. This antibody reacts with Human, Mouse, Rat....    |
| Clonality                  | Polyclonal                                                                                                                         |
| Concentration              | 500 ug/ml                                                                                                                          |
| Molecular Weight           | 67 kda                                                                                                                             |
| Sensitivity                | >5000 cells                                                                                                                        |
| NCBI                       | <a href="#">6885</a>                                                                                                               |

|                    |                                                                                                                  |
|--------------------|------------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">O43318</a>                                                                                           |
| Buffer             | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> . |
| Form               | Lyophilized                                                                                                      |
| Target             | TAK1/MAP3K7                                                                                                      |
| Antibody Type      | Primary Antibody                                                                                                 |
| Application Dilute | FC 1-3ug/1x10 <sup>6</sup> , ICC 5ug/ml, IF 5ug/ml, WB 0.1-0.5ug/ml                                              |
